### **ATTORNEY DAVID W. HOLUB ACHIEVES RECERTIFICATION IN CIVIL TRIAL LAW WITH THE NATIONAL BOARD OF TRIAL ADVOCACY**

MERRILLVILLE, INDIANA -The National Board of Trial Advocacy (NBTA) is pleased to announce that David W. Holub of the law firm, Law Offices of David W. Holub, has successfully achieved recertification as a civil trial advocate. Mr. Holub has been a NBTA member in good standing for 21 of yrs. The NBTA was formed out of a strong conviction that both the law profession and its clients would benefit from an organization designed specifically to create an objective set of standards illustrating an attorney's experience and expertise in the practice of trial law.

David W. Holub, is part a growing number of trial attorneys that have illustrated their commitment to bettering the legal profession by successfully completing a rigorous application process and providing the consumer of legal services with an objective measure by which to choose qualified and experienced legal counsel.

The elaborate screening of credentials that all NBTA board certified attorneys must successfully complete includes: demonstration of substantial trial experience, submission of judicial and peer references to attest to their competency, attendance of continuing legal education courses and proof of good standing.

Board Certification is the highest, most stringent, and most reliable honor an attorney can achieve. Board certifications are the only distinctions awarded by non-profit organizations. The NBTA as well as all board certifying organizations are committed to safeguarding the public's ability to choose a good attorney.

David W. Holub earned his undergraduate B.A. degree from Olivet College, in Michigan. He is a graduate of Valparaiso University School of Law. Mr. Holub is licensed to practice in Indiana, and occasionally practices in Illinois with court permission.

Approximately three percent of American lawyers are board certified, and Mr. Holub is a member of a very select group who has taken the time to prove competence in their specialty area and earn board certification.
